

Features

Fortune

Neo-Mallet Putter with Refined Shape

Black chrome plating
⇒ Reduces glare

Mild Iron (S25C) Japan Forged
x 5 Axial Precision Milling
⇒ A soft feel and pleasing
sound at Impact

MS-01
(our previous mallet type model)

Large neo-mallet putter
⇒ Higher Inertia for added
stability

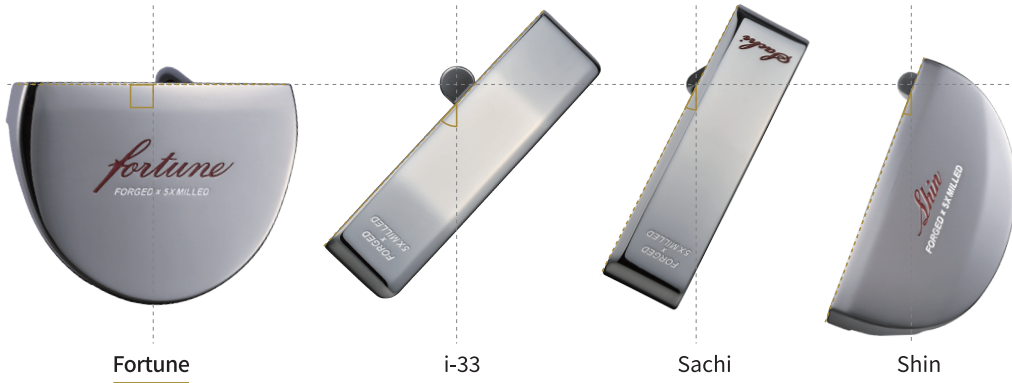

Optimal CG Placement Promotes Overspin After Face Contact

Lower & more forward CG

Reduces backspin at impact and
promotes overspin to the ball

Face Balance Position

Large Small

CG angle is approx. 90° (Face balanced)

Encourages Square Impact
